...
Connecting Social Problems and Popular Culture is an unconvincing study of how the media is blameless for many problems that exist in society. If the author is not citing research reports, she uses her personal anecdotes. Sometimes, she sounds like she is writing a student paper.

Download Ebook Connecting Social Problems and Popular Culture

Karen Sternheimer delivers a necessary synthesis, with a devastating media analysis, in response to the prevalent cottage industry of exaggeration, myth, and invention about popular culture's impacts on youth behavior. And in layering a critique of society, class, and race over actual evidence she produces a work of great value to those working with or teaching about youth."
